Don't Forget...Mark Your Calendars!

Jan 6-Clothing Trip

Jan 17-end of 2nd Q

Jan 20-MLK no school

Jan 21- no school-teacher work day

Jan 24-POM at 1pm

Jan 31-Report Cards go home

Happy Birthday!

2nd Hayley Sword

3rd Morgen White

6th Fatima Rodriguez

11th Christopher Menjivar

13th Omari Grant

18th Adrianna Crayton

18th Chris Brown

31st - Aaliyah Davis

LOOK

What We've Been Up To!

Reading: We have just started our new study on poetry. We will discuss how poets have different views and tones in their poems. Did you know that poems don't have to rhyme??? Be sure to ask your child about how poems have rhythm as well!! We have started working on the Fab 5! We will be working on "leaving TRACKS" while we read. This means we listen to what we are thinking, and write it down...this may be questions or wonders, reaction/thoughts, or even words we aren't sure of! Be sure to have your child practice while reading each night! We are now up to 30 minutes every night!

Math: We have finished studying measurement with weight and capacity. We have begun multiplication and have finished our multiplication books! We are now going to be looking into arrays and how they can help us with multiplying. We are going to explore how arrays are in our everyday life. Be sure to ask your child where they can find an array and how they help us.

Science: Mrs. Lane has been doing an amazing job in the STEM lab. Ask your child about what they are learning in space! Ask them about the moon phases.

Social Studies: We are really working hard on our global awareness standard! Please remind your child to bring in an interesting article from another country. So far we have learned about so many cool things going on in the world. Try out these great kid friendly search engine and help your child teach us about what's going on in our world!

A Note From your Teacher:

Many of us have already made our 2013 resolutions ☺. Talk to you child about what a resolution is and what they would want to have theirs be.

*****PLEASE NOTE***We will be having recess outside on any days that it is at least 35 degrees! Remember to send your child to school in a warm winter coat, gloves, scarves, etc.!! ☺**

FAMILY FUN FOR JANUARY!!

Have your child show you an awesome site that includes all subject areas and has fun (but instructional!) GAMES to practice concepts!!

http://www.oakgrove.dpsnc.net/3student_links.htm

*This site is also linked on our class websites!
